PREFACE

This Directory of Federal officials with liaison responsibility for programs of special interest to Mexican Americans is being distributed as a service under the clearinghouse function of the United States Commission on Civil Rights.

Most of the Federal agencies selected for inclusion in the Directory administer domestic programs designed to assist in furthering the social and economic progress of the American people.

Each of the agencies listed in this Directory was asked whether a staff member had been designated to serve as liaison for or in a special capacity regarding Mexican Americans. Section I of this Directory contains those agencies which indicated that staff had been assigned to serve in this specific capacity. Section II contains those agencies which indicated that no staff had been so designated. However, the civil rights coordinators of those agencies have been listed for your information.
